Volusia Partners

Partnership Agreement

Welcome Volusia Partner! The objective of "*Volusia Partners*" is to encourage involvement of businesses and civic organizations in our schools by developing partnerships that make a difference in the education of our young people. This form should be completed AFTER both parties have reviewed and agreed upon the partnership activities. The business/organization completes the left side and the school/district completes the right side of this agreement. Annual renewal allows for recommitment of both parties and changes to the partnership activities. Upon completion, the education site should provide copies to the business and to Volunteer/Partnership Programs, EDC Atlantic.
