

INVITATION TO BECOME A Positive Behavior Intervention & Support (PBIS) SCHOOL

Tier 1 PBIS New School Training

It's that time of year again when we begin preparing for our summer Tier 1 PBIS New School training. We are able to support FIVE new schools this year. The training day will be the week of July 22nd. More details coming.

As we reflect on the implementation of the current 17 PBIS schools we have seen some amazing progress:

PBIS Middle Schools have collectively dropped 20% in referral rates from last year
PBIS Elementary Schools have collectively dropped 41% in referral rates from last year
Two schools are currently PBIS Model Schools with Osceola being a second year Model school, this year going from a Silver award to Gold, & Timbercrest maintaining Gold level award
Seven PBIS schools were eligible to begin training & implementation of Tier 2 Behavior Supports
All PBIS school teams have progressed in developing comprehensive plans to synthesize all existing initiatives (e.g., SEL, Ron Clark, etc.) on their campus with PBIS Tier 1 being the foundation to support all efforts

Let's get started! Contact Mandy Ellzey: akellzey@volusia.k12.fl.us
