

Elementary Science Notebook Training

There will be an Elementary Science Interactive Science Notebook Training on July 25, 2019 from 9:00-3:00 at the Turie T Small Multi-Purpose Room.

Register now on MyPGS (Section #88769). Participants will leave with an understanding of ISN Best Practices AND classroom supplies to get ISNs started in their classroom.

This is a perfect way to get excited about Science in the new school year!
