

New Reading Requirements effective for 2020 and after

House Bill 7069

HB 7069 includes specific in-service requirements for renewal of a professional certificate. Beginning with a validity date of July 1, 2020, or thereafter, Educators who hold certification in an area that includes reading instruction or intervention for any students in kindergarten through grade 6, will be required to earn a minimum of two college credits or the equivalent of 40 in-service points in the use of explicit, systematic and sequential approaches to reading instruction, developing phonemic awareness, and implementing multisensory intervention strategies. FDLRS is offering opportunities that fulfil part of this requirement. Below, FDLRS courses with an asterisk will count towards this new requirement.

BEES offers a Reading Difficulties, Disabilities, and Dyslexia-Revised course that also counts toward the requirement; details found here: <https://fl-pda.org/independent/descriptions.aspx>

Additional courses will be announced throughout the year.

FDLRS ESE Professional Learning Opportunities available for registration in MyPGS for the 2019-2020 SY. (There will be more to come.)

New ESE Opportunities offered from FDLRS starting in August, registration is open in MyPGS now.
