Dear Parent/Guardian:

Congratulations! Your child is being considered for enrollment in “Take Stock in Children” which is a scholarship and mentoring program of the FUTURES Foundation for Volusia County Schools.

FUTURES Take Stock in Children provides a 2-year or 4-year college tuition scholarship to deserving, economically disadvantaged students who are selected in the 8th grade. In return, the student agrees to earn good grades, meet with an adult mentor weekly on school campus throughout high school and, remain drug, alcohol, gang and crime free. Thanks to FUTURES Foundation, comprised of business and civic leaders in Volusia County, corporate sponsors, and caring individuals, a limited number of new scholarships are made available yearly. If your child dreams of going to college, this is an excellent way to begin.

To be eligible for the Take Stock in Children program you must meet the income requirements on the attached Income Eligibility Guidelines.

IMPORTANT NOTE: If you would like your child to be considered, it is critical that you complete the application prior to Friday, February 5, 2021. You must include a copy of your 2019 or 2020 tax return with your application. If you do not file taxes, please contact me via my contact information below.
