Principal's Message

Dear Coronado Pirates,

I am so excited to welcome everyone back to Coronado Beach Elementary School! Last year was one that we did not expect. Our Pirates families took on new responsibilities and truly persevered. I think we have all adjusted to the idea that we must be flexible as we learned what new safety measures were in place due to COVID19. This school year will have some changes as well.

One process that we planned to change even before the pandemic hit, was our dismissal plan. We are constantly trying to improve the safety measures that we take at Coronado. Based on feedback that we have received from stakeholders, we will be issuing parent pick up tags to all families. Each family will receive parent pick up tags that they can display in their vehicle as they come to pick up students in the afternoon. Displaying this tag will serve as verification that you have been identified as someone that has permission to enter our parent loop to pick up a child. Individuals that do not have a tag may park and come into the front office to complete our normal checkout process. Additional parent pick up tags are available for purchase in the front office. For families that walk or bike to school, you may continue to wait in the designated area on the south end of our campus by our mural. We will be asking that you stand on the markers to ensure a safe and orderly way for us to help you connect with your child. Please note, to prevent student injuries, Safety Patrols will not be opening and closing doors at the parent loop. This practice put some Patrols at risk for injury last year, and we need to keep our students safe.

I would like to welcome the following new Pirates to our family. Lindsey Forshey is a new face you will see in the office as our bookkeeper. She will be joined by Michelle DiGiacomo, our new receptionist. Mallory Mussard is our media specialist, as Alice Andrews has joined our first grade team. Megan Ostrum will be joining our ESE team to help support students. Michelle Stull will be our new fourth grade math and science teacher, as Erin Bass is our new art and STEM teacher. Rounding out this all star team is our new music teacher, Paula Ramirez. Please join me in offering them a warm welcome. We are so lucky that they have joined Coronado!

We have an exciting year ahead! I am looking forward to another great year with our Pirate family!

Parent Pick up

For safety and security purposes, all family members will need to remain in their vehicle and drive through the parent pick-up loop. This practice has been put in place as an added measure to keep our Pirate family safe. We also have new parent pick-up hang tags. You can pick up the parent pick up passes from the front office. Please call ahead to make an appointment for pick-up. Each student will receive 2 parent pick up passes for their family. Each pass will be numbered and assigned to families. When parents and caregivers come through the parent pick up line in the afternoon, the pass must be hanging from the front mirror. If you need an additional pass, they can be purchased in the front office for \$2.00. Lastly, this year, students that walk home will exit the campus through our Northeast gate near our STEM lab and intermediate playground. This change no longer requires our students to cross the road and provides an extra layer of safety for our Pirates.

School Uniforms

As this school year begins, just a reminder of our uniform policy. Shirt colors are black, red, white and gray. Shirts can be polo style or oxford style button down. Bottoms can be navy blue, black, gray or tan. Bottoms include pants, shorts, capris, skirts, skorts and jumpers. Black or blue denim is acceptable. Small logos are allowed. Shoes need to be closed toe and closed heel so they can protect the entire foot. We have polos for sale in the office for \$5.

We will suspend the uniform policy on Fridays so that our students can wear whatever they would like.

Water Fountains

The district has recommended that water fountains be used to fill bottles or cups. To keep our students safe, please send a water bottle in with your child(ren) each day. Students can use our water bottle re-filling station or the water fountains to refill their water bottles throughout the day. An added safety measure is to write your child(ren)'s name on the water bottle to keep items personalized.

School Store

To maintain our safety plan for reopening, our school store will not be open at this time. We hope to open this with the start of the 2nd nine weeks.

School Safety

As a reminder, please remember to wear a mask while on our campus. Also ALL visitors must check in at the front office.

At this time we are unable to allow volunteers or visitors. We will keep everyone updated as far as when or if this policy changes.
