

Dear Parents and Cypress Creek Community,

We are inviting YOU to join the “Friends of the Media Center” guild here at Cypress Creek Elementary School. This guild was formed to help promote literacy throughout our school, and to assist during the Pandemic when traditional fundraising is difficult.

Funds raised through sponsorship will be used to enhance our existing media collection, support our Reading Counts program, and fund programs that promote literacy. In order to become part of this group we are asking for your involvement.

Four levels of sponsorship are being offered. We are accepting individual, family, and business sponsorships. Members will be recognized in the school’s social media and on the media webpage of the school website.

				Platinum	\$100
				Gold	\$ 75
				Silver	\$ 50
				Bronze	\$ 25

Your donation is tax deductible.

Please address any questions to Mrs. Stevenson in the media center or call the school at 322-6101 ext. 39473.

Thank you in advance for your generous support of the literacy of our students!
