**Purpose:** To challenge active, athletic students to become leaders within the school community through rigorous academic content across several courses. Students will learn to work together in teams to help achieve high performance standards.

**Criteria for Acceptance:** Students who are considered for this opportunity must have a passion for teamwork and athletics, strive to learn sportsmanship qualities, and have a strong work ethic.

**Costs to Students:** The initial financial obligation for students in the program will be \$20. The Academy fee will cover the cost of an academy t-shirt to be worn on designated school days and to academy sponsored events. The remaining fee will be used to offset additional academy costs.

**Behavior Expectations:** It is a great honor to be accepted into our H & S Academy. Therefore, H & S students are held to a higher level of behavioral expectations. Students are expected to display characteristics of perseverance and grit which will assist them in developing a strong work ethic. Students who exhibit consistent or extreme behavior that prevents those characteristics from being displayed by themselves, or their classmates, will be placed on Academy probation; which may result in the removal from the H & S program.

**Person to Contact:** Interested applicants should complete the attached document and return it to Ms. Robinson prior to March 31<sup>st</sup>, 2020. Selected applicants will be informed of their status in mid-May.

**Academy Courses:** Students will be enrolled in one semester of Extreme Sports and one semester of Exploration of Health. This is in addition to the regular PE course listed on course electives sheet.

Our Health & Sports Academy is a rigorous program that will not only concentrate on the many facets and skills found in sports, but also Health Sciences.

**The following questions are to be answered by the applying student:**

## Guardian Acknowledgement of Admission

Our admissions policy seeks students who have achieved proficiency in reading, writing and mathematics skills, and whose performance testifies to their commitment to learn in all their studies. Deltona Middle Health & Sports Academy seeks students who have expressed an interest in health, nutrition, sports and developing a healthy lifestyle with emphasizes these subjects.

Due to the nature and rigor of the academic content to be delivered, students should have a passion for learning. It is highly recommended that students have solid attendance records with very few absences. Due to this early college model and mastery-based learning system, students will need to demonstrate persistence when faced with challenging academic expectations. Behavior expectations are in alignment with the nature of the academy. It is expected that all Volusia County Code of Conduct standards are adhered to without exception. I hereby certify that I have read and understand the enrollment and admission guidelines above, and that this application has been filled out to the best of my knowledge.

### **Guardian Participation**

Deltona Middle Health & Sports Academy is a program that stresses self-reliance, self-advocacy, and community. Students who are accepted into the academy are expected to do more duties and functions than they have in other academic environments. Every individual will have a unique experience while participating in the academy, those varied experiences are to be valued and respected by all students and teachers. To meet the Hands-On needs of our students, we may have fundraisers to cover costs of materials used. Students are required to pay a \$20 Health & Sports Academy fee which will cover the cost of the Health & Sports Academy t-shirt and additional costs. Academy t-shirts will not be distributed until the fee is paid.
