## ADMINISTRATION STATION

Thank you Freedom community for your support in returning to school under these new circumstances. Learning is in full swing both online and in classrooms. It is great to see our students following old and new procedures smoothly on a daily basis. Every day the staff here at Freedom are perfecting new routines and ensuring that quality instruction is happening. We need our Falcons present, engaged and supported. If you have any questions or concerns, please reach out to your child's teacher or administration. We look forward to an amazing year of learning, and remember, at Freedom we ALWAYS soar high!

## Guidance Department

Welcome back friends! We are so glad school has started....we missed you all! Whether you are back in the building or joining us online each day, we hope you all had a nice summer off and are ready to get back to learning! 😊 The most important thing to remember, especially as we start off this school year, is patience. All of this is new! Everyone is learning as we go along. As long as we work together, have patience, and have kindness with each other, we will not only get through it, but thrive through it!

*Choose Kindness*
