

# Every Child, Every Day!!!

*We are just not complete when your children are not here or not on time!!!*

**We want to remind you school & instruction begin promptly at 7:50 a.m. Students are late at 7:55 a.m.**

Students arriving after 8:00 a.m. or who are checked out prior to dismissal time are missing vital instruction.

**Did you know:**

**5 tardy/late arrivals = 1 unexcused absence**

**5 early checkouts = 1 unexcused absence**

We don't want your children to have gaps in their learning and fall behind.

**Here are some things to consider:**

Missing just 2 days a month (18 days in a year) can cause your children to suffer academically.

Good Attendance helps children do well in school and eventually in the workplace.

**Attendance will be monitored on a daily basis. Students with perfect attendance will be recognized through our new Attendance Initiative.**

*Regular on time attendance makes success possible*
