

# Hinson Middle School PTSA

2021-2022

Your Parent Teacher Student Association is a volunteer-based organization that brings parents and teachers together for the goal of improving and enhancing the learning experience and well-being of all the students at Hinson Middle School.

Volunteers are vital to the success of our school and PTSA! More than 85 research studies conducted over the past 30 years have proven that children do better when parents are involved – grades are higher, test scores improve, and attendance increases. There are numerous PTSA volunteer opportunities available throughout the school year. We hope that you will choose to be involved and take an active part in your child's education at Hinson Middle School!
