

Dear Families and Community Members,

We are now planning for the 2022-2023 school year. The membership of our School Advisory Committee is one part of the planning that needs to happen.

If you know of someone who would be interested in joining Hinson Middle's SAC as a parent or community member, you can talk to them or have me reach out to them. You yourself can also be part of SAC, even if your child has moved on to high school or if you've never been part of SAC before. If you would like to see things for yourself before committing to something, you can join us for our next meeting. It will be on May 18th. A link to the online meeting can be sent if you would prefer to join us that way.

If you need more information before moving forward, I would be happy to chat.

Sincerely,

Mrs. Lachman Wing

SAC Chair
