Dear Parents:

Each school district in Florida is required by state statute to provide students with the opportunity to enroll in a Virtual Instruction Program (VIP). Students have the option of enrolling in either part-time or full-time virtual courses for the upcoming school year.

The initial enrollment period for participation in the full-time virtual course will begin on April 20, 2020 and closes July 4, 2020. For your convenience, a second enrollment period will open on July 5, 2020 and closes July 19, 2020.

Families have the option to choose from three online providers. Students who qualify for free and reduced lunch may receive the use of a computer and assistance towards internet access.

For more information on VIP options, go to www.volusiaonlinelearning.com or contact the Online Learning offices at 386-506-0014.

Sincerely,

Scott Fritz, Ed.D.
