

We Believe in Keeping Our Students Safe !

Parent Meetings: February 28th and March 5th, 2019

@ 6:00 p.m. in our Multi Purpose Room

- Armed Guardian will be present on campus during school hours.
- Two central entry points for all students will be used during morning arrival.
Adults will not be permitted to escort students onto campus.
- Adults picking up and dropping off students during arrival and dismissal times must remain in their vehicles and display their assigned family tags to pick up a student.
Our team will be available to escort late children to class if needed.
- Visitors on campus will be limited to special campus events only, or their child's assigned lunch time.
- Deliveries to the classroom will be restricted during the school day.

We believe that reducing the number of adults approaching the campus during our most vulnerable times will increase our ability to assist students, identify safety or security concerns, and make staff members easily recognizable to students who may need help.

We appreciate your cooperation as we continue to make student safety and security a top priority. We look forward to having you join us on campus for meet the teacher, open house, parent conferences, and other special events with your children.

We look forward to partnering with you and staying connected.

Please follow us on Manatee Cove's social media platforms for the latest news, celebrations, pictures and communication. Manatee Cove believes in the power of connecting, collaborating and celebrating with our families.
