

Parents,
Have you heard of PBIS?

Positve Behavior Intervention System.

PBIS is a behavior initiative at NSBMS and we would love your support; here's how:

- **Ask your student: What are the 4 schoolwide expectations?**
 - **Be Cooperative, Be Safe, Be Respectful, Be Responsible** are our NSBMS schoolwide expectations. Posters of expectations are in every classroom and on walls in holding areas.
- **Ask your student: How do you earn PBIS Rewards or points?**
 - **We have a digital reward system that rewards students for demonstrating the 4 expectations.**
- **Ask your student: Would you share the PBIS Rewards App with me?**
 - **You and your students can watch their points increase and we can give you access to your student's account.**
- **Ask your student: How do you spend your PBIS points?**
 - **Students can spend their points at teachers' stores or the school store.**
