...Where Hard Work Opens Doors To A Brighter Tomorrow

09/21/2020

Dear Parents,

First, let me thank you for your support and understanding as we, as a nation and community, respond to the unexpected global pandemic. I am very proud of the way our OCE students, parents, employees, and community leaders are handling the demands we are faced with to protect everyone as we continue to educate and feed our students during the most unusual of circumstances.

We finished "week 3" in great fashion and our students are really starting to feel comfortable both on-campus and online! Our teachers have been working non-stop to find ways to enhance their instruction and fully utilize all resources available to them. A big THANK YOU to the parents as we continue to work out any "bugs" or technical issues that arise. I am confident that each week it will get easier to navigate for both our students & teachers. I also want to thank our students who have been GREAT about wearing their masks, following sanitation procedures and working to keep our campus as safe as possible!

At the current time, due to the Global Pandemic, Orange City Elementary will not be holding any on campus parent activities. We will monitor the Covid 19 data and make changes to our activities schedule if safe to do so.

Sincerely,
