### **Medication Guidelines:**

At the request of a parent/guardian and doctor, prescription medication may be given to a student at school. The "Authorization to Administer Prescription Medication to Students by School Personnel" form must be completed by the parent and doctor prior to administering any medication. The container must be labeled with the child's name, name of drug, directions concerning dosage and time to be given, doctor's name and date of prescription and must exactly match the doctor's orders. The medication must be delivered to the school by the parent to sign in and only one week's supply may be brought at a time.

**Note:** Students are not allowed to bring in **any** medication at any time.
