

# Volusia County Schools to Participate in Fortify Florida

Volusia County Schools is now participating in a state mandated program called Fortify Florida. Any student, educator, parent or member of the public can report school safety concerns directly to law enforcement and school administrators anonymously and easily through the FortifyFL app or [www.getfortifyfl.com](http://www.getfortifyfl.com).

“The release of this anonymous reporting system will assist us in helping keep our campuses safe,” said chief operating officer Greg Akin. “It gives everyone an avenue to assist us in gathering critical information to prevent unsafe behaviors on our campuses.”

The app, which is available for download on Apple and Android mobile devices, is critical to ensuring all Florida schools are safe environments where students and educators can experience and share the joy of learning without fear.
